

Video Production Intern

We are searching for a Video Production Intern to join our team.

The Video Production Intern has a passion for storytelling through video. The Video Production Intern will be responsible for discovering ways to better tell the stories of those whom we serve and creating on-brand video content that can foster deeper relationships with our supporters. The ideal candidate can listen well, pivot, and collaborate. This internship provides the opportunity to build a significant portfolio to showcase videography production skills. This role will work closely with Communications and Donor Engagement to consistently deliver on storytelling and video objectives.

Core Responsibilities may include:

- Tell beneficiary stories through video editing (short form and long form).
- Collaborate with the Communications team in designing, budgeting for, and co-creating on-brand video content.
- Review existing video materials and make suggestions for improvement.
- Develop long-term plan for utilizing video for engaging with donors and champions.
- Monitor trends in the field and develop recommendations.
- Present reports on projects.
- Collaborate with fellow interns.

Candidate Skill Set

- A heart for service.
- Prior knowledge of ethical storytelling preferred.
- A desire to expand your worldview.
- Creative and highly motivated.
- Course experience in graphic design, digital media, film, marketing, and/or communications.
- Experience using relevant editing programs.
- Active listening and skillful communication (clear, honest and respectful).
- Curious and innovative.
- Ability to adapt and work efficiently in a dynamic environment with deadlines.
- Agreement and personal commitment to the Christian values of the organization.
